“This food shelf has changed my life. I never thought I would need to utilize one and I was so embarrassed at first to be in that position. But everybody there made me feel like it was normal and that there was nothing to feel ashamed about.

Everybody is so welcoming and kind. I'm so grateful for this organization.”

New MOBILE site

We launched our 7th Senior Mobile site, Red Rock Manor, located in Newport.

“I find volunteering at Red Rock Manor to be very fulfilling. The residents appreciate getting the much needed food. It’s very heart warming to see the smiles on the residents’ faces and hear their words of gratitude.”

As shopping at Today's Harvest on Hadley grew, we knew we needed to find a larger location. In May 2023, we had to close our Hadley market while we searched for a new site.

To make our 4th Street market as accessible as possible during the search, we have expanded our shopping hours and added a third checkout station.

“Accessible for anyone, no matter who they are.

The model of what charitable services should be.”

We're happy to announce that we will be opening a **new Today's Harvest market** in Maplewood later in 2024.
