

Help kids celebrate their birthday!

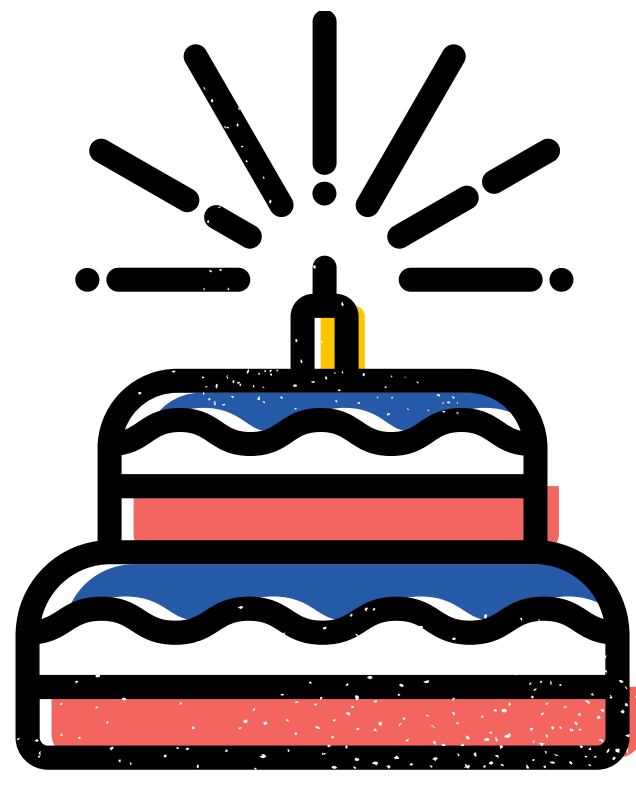

Open Cupboard is looking for groups who want to build birthday bags.

These bags are given out to kids (0-17years) with a birthday that month. We try to ensure that every child at least gets a little something on their birthday.

Potential Birthday Bags Items:

- Cake Mix
- Frosting
- Candy
- Decorations
- Toys
- Gift cards

If you are interested or have questions, contact donate@opencupboard.org or call 651-233-1296

Birthday Bag Questions

What exactly are birthday bags?

They are a bag with the birthday basics that help every kid have a chance to celebrate their birthday.

What do the bags look like?

Most groups choose to pack the items into a gift bag so its like getting a present. But you can also use paper bags as well.

What goes into a birthday bag?

Birthday bags try to include anything a birthday would need: cake mix, frosting, plates/decorations, and a small gift. Please feel free to make these bags however you want!

How many birthday bags does my group have to make?

There is no minimum requirement, however, we would encourage your group to make at least 10.
